

Captain Williams made two space flights.

His first was in 1985 aboard the Space Shuttle *Discovery* and his second was in 1989 aboard the shuttle *Atlantis*, where he served as spacecraft commander. Aboard the *Atlantis*, Captain Williams and his crew successfully deployed the *Galileo* spacecraft, starting its journey to explore Jupiter.

During his time with NASA, Captain Williams was awarded the NASA Outstanding Leadership Medal, NASA Space Flight Medal, and NASA Exceptional Service Medal. In total he logged more than 287 hours in space and orbited Earth 188 times.

I do not make such statements lightly, Mr. Speaker, but Captain Donald Williams was the epitome of an American hero. He served our country during war and peace and on behalf of a grateful nation, I thank him.

HONORING CITY OF WINTERS MAYOR CECILIA AGUILAR-CURRY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. THOMPSON of California. Mr. Speaker, I, along with Representative GARAMENDI and Representative HUFFMAN, rise to recognize and honor Mayor Aguilar-Curry for her great contribution to the designation of the Berryessa Snow Mountain Monument by President Barack Obama on July 10, 2015.

This outstanding accomplishment was made possible by the tireless work of countless advocates like Mayor Aguilar-Curry. Their commitment to engaging friends, colleagues, local residents, businesses, stakeholders across the country, and policymakers in a coordinated effort to achieve permanent protection was critical to the establishment of the Monument.

Now, the Berryessa Snow Mountain Monument may be counted among the hundreds of pristine parks across the country that represent America's most treasured public resources. The region's unique geological formations will play host for the world's scientists for years to come. Centuries-old archeological sites will draw curious historians and researchers as they piece together the stories of generations past. And avid bikers, hikers, campers, horsemen, and sportsmen will be able to enjoy this landmark that is now forever open and accessible to outdoor enthusiasts from Northern California and beyond.

The Berryessa Snow Mountain Monument serves as proof of the value of the Antiquities Act and the power of the Executive to protect these lands in the face of inaction by Congress. After extensive input from interested parties and substantial evidence of this region's value, the Obama Administration honored the support of stakeholders, and the gravity of conservation.

The legacy of public lands is one of the most important we can leave for future generations. The Berryessa Snow Mountain Monument is a critical piece of a preservation system that stretches from the Hawaiian Islands to the Maine Coast. It has been a privilege working with Mayor Aguilar-Curry to further our mutual goal of preserving our nation's great open spaces, and we look forward to collaborating in the future.

TRIBUTE TO STAFF SGT. LOUIS F. "LOUIE" CARDIN

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 22, 2016

Mr. CALVERT. Mr. Speaker, I rise today to pay tribute to a hero from my congressional district, United States Marine Corps Staff Sergeant Louis F. "Louie" Cardin. Today we ask that the House of Representatives honor and remember this incredible young man who died in service to our country.

SSG Cardin was from Temecula, California, where he graduated from Chaparral High School. He was the second youngest of seven siblings, siblings whom he looked up to and followed including following one brother into military service. Staff Sergeant Cardin is remembered fondly by family and friends, who knew him for his humor and love of family and life. He is survived by this parents and siblings.

SSG Cardin was assigned to the 2nd Battalion, 6th Marine Regiment, 26th Marine Expeditionary Unit, Camp Lejeune, North Carolina. He was killed in action in Makhmur, Iraq on March 19, 2016. Staff Sergeant Cardin was 27 years old. He had an illustrious military career where he was awarded the Presidential Unit Citation, three Afghanistan Campaign medals, an Iraq Campaign Medal, and three Sea Service Deployment ribbons.

As we look at the incredibly rich military history of our country we realize that this history is comprised of men, just like Staff Sergeant Cardin, who bravely fought for the ideals of freedom and democracy. Each story is unique and humbling for those of us who, far from the dangers they have faced, live our lives in relative comfort and ease. The day the Cardin family learned of their son and brother's death was probably the hardest day they have ever faced and our thoughts, prayers and deepest gratitude for Staff Sergeant Cardin's sacrifice go out to them. There are no words or actions that can ease their grief. What words we can offer only begin to convey our deep respect and highest appreciation for the sacrifice Staff Sergeant Cardin made for our great nation. His sacrifice is forever etched in the history of freedom triumphing over oppression.

Staff Sergeant Cardin's family has given a part of themselves in the loss of their loved one and we hope they know that the good-

ness he brought to this world and the sacrifice he has made will never be forgotten.
